At the April BOT meeting of the Harborside Condominium Trust (HCT) the Trustees, unanimously, agreed to keep the Harborside Dock Committee (HDC) as a three member committee at this time.

Bart Jones was re-appointed to serve on the HDC for a three year term expiring after 2017.

The HCT thanks Don Nowland and John Garibotto for their interest to serve on the HDC.

Sincerely, Kimberly Lord, Lesley Management, Inc.

Good Afternoon All

Please allow this email to be a reminder that the Revised Parking Rules During B Building Reconstruction are still in effect. Multiple vendors continue to push forward on this reconstruction and your continued cooperation is greatly appreciated.

In addition, during recent walk through on the property we have noticed that there are a number of personal items in the common areas including areas under the decking. All personal items must be contained within their unit or in their respective storage bin areas. If you have placed items for storage over the winter in any common area, please remove them so that we can continue with the upkeep and maintenance to the property.

If you have any questions, please contact management.
