

HARBORSIDE CONDOMINIUM TRUST

TRUSTEE MEETING MINUTES

FEBRUARY 2011

The February meeting of the Harborside Condominium Trust Board of Trustees was held February 2, 2011. In attendance were Trustees Warren Hendriks, Don Nowland and Jim Walters. A quorum was present.

1. MOTIONS

The following motions were approved unanimously:

- To accept the January 2011 Trustee meeting minutes as written.
- To accept the January 2011 financial statements.

2. HDC REPORT

- The 2011 dock fee information has been forwarded to all homeowners. Please remember that the dock fees are due no later than April 1, 2011.
- HDC Chairman, Ron DeMoraes, has volunteered to serve the HDC for another term. Many thanks, Ron, for all your efforts.

3. MAINTENANCE UPDATE

The Board reviewed the current status of the Building C moisture situation, noting the following:

- Ken Steadman of Bartlett & Steadman Excavating has visited the site and indicates that in order to make a final decision regarding the resolution of water intrusion into the C Building, it may be necessary to remove the rear planting bed and the storage bins. The Board has sent a letter to all C Building residents in an effort to obtain information as to the most convenient way to empty and remove the storage bins. Once this information is received, the bins will be removed and Ken Steadman will return to gather information that will affect the extent of foundation/flower bed work required. Competitive bids will be obtained for the project.
- Before commencing the project, the Board will again review possible courses of action and required expenses.

HARBORSIDE COMDOMINIUM TRUST

Policy for Addition, Alteration, Or Improvement To Individual Units And Common Areas

Objective – To provide guidelines for the review and approval of additions, alterations, and improvements to individual Harborside Units and Common Areas.

Background and References

- No part of the Harborside Condominium shall be used for any purposes except those set forth in the Harborside Condominium Master Deed and the Harborside Condominium Trust, established by the Declaration of Trust. All Unit Owners and Residents shall refer to the Master Deed and Trust Documents for further explanation concerning the duties and authorities of the Board of Trustees and the descriptions of the Harborside Condominium, its Units, Common Areas and Facilities, and the authorized “uses” and “restrictions” of same.
- In reference to the Master Deed (paragraph 13.A., Units Subject to Master Deed, Unit Deed, Condominium Trust, Etc), the acceptance of a deed or the entering into the occupancy of any Harborside Condominium Unit constitutes an agreement with the provisions of the Master Deed, the Trust, and the By-Laws and Rules and Regulations, and any violation of same shall justify legal action to be taken by the Trustees.

Guidelines

- Nothing shall be done in any Unit or Common Area and Facility that would impair or change the structural integrity of any building. All plans for repair, addition, alteration, or improvement of any Unit affecting any Common Area or Facility, must be approved in writing by the Trustees before any such modifications are initiated. All such repairs, additions, alterations, and improvements must be done by licensed contractors.
- Changes shall not be made in any Common Area landscaping without the prior written approval of the Trustees.
- All Harborside Unit Owners must obtain written approval from the Trustees before proceeding with air conditioner installation. All such installations must conform to the Harborside Policy on the Installation of Air Conditioners (approved in November, 2002), all Marblehead Town covenants, Harborside Condominium By-Laws and Rules and Regulations, and not intrude in any appreciable way on the existing visual or audible landscape of Harborside.
- No electrical device that could cause electrical overloading is permitted. All Units shall comply with the Town of Marblehead Health and Safety Codes.
- No Unit Owner or Resident shall permit anything to be done, or kept in his or her Unit or in any Common Areas and Facilities which would cause the

cancellation of insurance coverage or increase insurance premiums of the Condominium, or which would be in violation of the law.

Requirements

- The attached Addition/Alteration/Improvement Agreement is designed to assist unit owners in communicating to the Trustees changes that they desire to make to individual Units or Common Areas. When considering changes to your Unit or to Common Areas, you must refer to and abide by the Harborside Rules and Regulations requirements for Trustee Approval.
- Approval must be obtained before any work can begin. If a Unit Owner makes any changes without approval, there may be a fine and it may be required that the area of change be returned to its original condition.
- To the extent permitted by law and the governing documents, the Trust shall be entitled to reasonable attorney fees, costs and expenses incurred in the enforcement of this policy. The unit owner responsible for the violation shall pay these expenses.

Approval Process

- Unit Owners desiring to make additions, alterations, or improvements to their Units or to a Common Area must complete and submit the attached Alterations Agreement to the Trustees before initiating any such work. The “Description” must include drawings, pictures, permitting documents, and other pertinent information to facilitate the Trustees in making their decision.
- All requests should be submitted to the Management Company and will be reviewed by the Trustees at their monthly meeting. The Trustees will make every effort to respond promptly.
- The Trustees may decide to conduct “In Process Reviews” to ensure compliance with approved plans, and/or to review any requested changes to those plans. The Trustees may require additional information as a result of these in-process reviews, and may issue a “stop work” order if the on-going work is in non-compliance with approved plans.
