Dear All

We have been contacted by our Trash Removal Provider that the Barrels in the Trash Room were filled with maggots this week. The reason for this, is that residents are not putting trash into bags and/or are not sealing them. ALL residents MUST place ALL trash into sealed plastic bags, whether garbage or grocery. This will help eliminate problems in the Trash Area.

Thank you in advance for your anticipated cooperation.

Sincerely, Kimberly Lord, Lesley Management, Inc., Property Management Services
