

September 29 2014

Thank you to all who have cleaned out items in the hallways and other common areas. We still have a number of items including but not limited to tarps, construction tiles, and containers. There are also some small stools/chairs in the stairwell of Building D that need to be removed.

Please keep in mind, that all entries to units need to be free of personal items.

I've attached some pictures to help identify some of the items that need to be removed; but this is not all of them. Please contact management with any questions. We have scheduled a crew to clean out these items on Monday, October 6, 2014.

Sincerely, Kimberly Lord, Lesley Management, Inc. Property

Common Area Cleanout

Dear All

Please allow this email to be a reminder that there is to be absolutely no storage of personal items in the common areas; including but not limited to hallways, stairwells, mechanical rooms, storage rooms, pathways. All personal items need to be stored in your assigned storage bin and/or unit. Kayaks may be kept in the dirt area in the cellar of Building A, provided they do not extend in front of the storage doors.

If needed, a common area clean out will be done on Friday, September 12, 2014 at which time any item left in the common area may be discarded. Thank you for your cooperation and please direct questions to management.

Sincerely, Kimberly Lord, Lesley Management, Inc.
