

September 23 2015

Dear Harborside Owner/Resident,

If possible, please refrain from parking in the upper parking lot, compact car spaces on Tuesday September 28, 2015 from ~ 12:00 noon to 3:00 PM. Unit Owner Wheeler is expecting deliveries to her unit and would appreciate use of these spaces for this short time period. Thank you in advance for your cooperation.

Sincerely, Kimberly Lord, Lesley Management, Inc., Property Management Services

Dear Harborside Residents,

Today, we received extremely good news. Certificates of Occupancy have been issued for Units B-2, B-5 and B-6. We are now focused on getting one for B-10 as quickly as possible. As a result, the Trustees have decided to lift the temporary parking restrictions for now. Please remember that you may only utilize the number of spaces assigned to your unit, whether it is your car(s) or your guests who are parked in our lot. If you have guests parking down here, please ensure that your unit number is on their guest pass.

Also, we would like to remind you that we will still have a great deal of construction activity going on. In addition to our top priority of getting B-10 finished, we have several units that are planning renovations, and there will be work done on the sea wall. Space will still be very limited, and you may need to find space off-site while workers are here. The temporary parking restrictions will need to be reinstated when we paint B Building, begin construction on the emergency egresses and repair a portion of the sea wall. We will let you know when we have a construction schedule and time table for those items.

Additionally, the Trustees are working to formulate winter parking and long-term parking rules going forward. As soon as those have been finalized, we will publish them.

We apologize for the continued inconvenience, but we're beginning to get back to normal and we thank you for your continued patience and understanding.

The Board of Trustees

Hello Residents,

In follow up to our email last week, we will continue to update you when known moving vehicles will be on site.

Saturday, Sept 5th, between the hours of 8:30-10:00 am for ~ 30 minutes

Friday, Sept 11th, for ~ 60-90 minutes; start time unknown at this time

In both dates above, please refrain from parking in the spaces closest to the entrance to unit B1/B4.

Thank you for your cooperation.

Sincerely, Kimberly Lord, Lesley Management, Inc., Property Management Services
