Re: PPE Reminder

Dt: April 20, 2020

As a reminder to all residents the CDC recommends face masks be worn in all common spaces.

Cover your mouth and nose with a cloth face cover when around others.

Cloth face coverings should not be placed on young children under age 2, anyone who has trouble breathing, or is unconscious, incapacitated or otherwise unable to remove the mask without assistance.

Continue to keep about 6 feet between yourself and others. The cloth face cover is not a substitute for social distancing.

Thank you for your cooperation.
