Notice Date: November 28, 2023
Property: Harborside Condominiums
RE: Common area etiquette: Dogs

Please be advised our office has received complaints of dogs relieving themselves on the property, specifically in the parking lot, and the owner's not picking up the waste. If your dog relieves itself anywhere on condominium property, you are required to immediately clean it up!

If we are able to identify the unit in which the dog lives/is visiting a fine and/or clean-up fees will be back charged accordingly.

All pets must be registered with the management office.

Unit owners who rent their units MUST pass this extremely important notice along to their tenants.

Thank you for your immediate cooperation.
